Co-workers or associates are not eligible to use the spouse registration category. If this registration category is used by someone other than a spouse, the registrant will be charged a full conference registration fee for that person. Spouses will receive a badge giving them access to all general sessions, breakout sessions and the trade show floor. Meal functions require an additional purchased ticket for all attendees, including spouses.

This is an election year

If you wish to pre-register a board member, but will not know the person's name until after the November election, write in "Pending Board Member" on the Name line of the conference registration form. CSBA will contact

the district/county superintendent's executive assistant after the election to obtain the newly elected board member(s) name(s).

Expecting a change in superintendent

If you know you will have a new superintendent and wish to pre-register them for AEC you can do so by writing in "Pending Superintendent" on the Name line of the conference registration form. CSBA will contact the district/county superintendent's executive assistant to obtain the new superintendent's name.
